DATE FROM HELL

Written by

Alex Block

INT. APARTMENT KITCHEN - ANYTIME

Close up on KAREN (20s) crying like it was the worse day of her life. She's in a very very nice dress.

KAREN

Guys, I thought I found the one,
but my heart was betrayed.

JOHN (O.S.)

It's our first date.

Karen flips the camera around to JOHN (20s) across the table from her. He wears a white shirt with pizza sauce on it. The tables is nicely set with plastic utensils, paper plates, and pizza. John is tired of Karen's bullshit.

KAREN (O.S.)

And our last. Look at this.

Karen walks down the hall to the toilet with the seat down.

KAREN (O.S.) (CONT'D)

He's cheating on me.

JOHN (O.S.)

It's a toilet.

KAREN (O.S.)

No man living alone keeps the seat
down.

Karen pans the camera to John down the hall. John's confounded.

KAREN (O.S.) (CONT'D)

Explain yourself to my followers.

JOHN (O.S.)

I cleaned it for you. I wanted to
make a good impression.

Karen walks back to the kitchen, closer to John.

KAREN (O.S.)

If you wanted to make a good
impression, you wouldn't have
cheapped out for generic paper
plates from the dollar store.

JOHN

I have no money. I barely had
enough to get you a pizza.

Karen takes a deep breath and calms down.

KAREN (O.S.)
Okay, fine.

Karen takes a seat and big sip from her cup. Immediate something doesn't taste right.

Karen runs to the sink, spitting out her water.

KAREN (CONT'D)
Is this sink water?

JOHN
Yeah, fresh from the tap.

KAREN (O.S.)
That's disgusting! Also, explain why your cooking utensil are pink!

Karen pans the camera to pink cooking utensils in a cup beside the sink.

JOHN (O.S.)
It from my mom and it supports breast cancer.

Karen whips the camera back to John. She's confident that she caught him in another lie.

KAREN (O.S.)
Men don't get breast cancer!

JOHN
(sounds like a preschool teacher when a kid gets something right)
Uh-huh.

KAREN (O.S.)
I got you now!

John SIGHS and approaches Karen.

JOHN
Karen, calm down.

Karen jerks away from John.

Karen runs towards the table and grabs a spoon. She holds it like a defensive weapon.

KAREN (O.S.)
Don't touch me!

John puts up his hands.

JOHN
I didn't touch you.

Karen slowly walk back for the door with John still on camera.

KAREN (O.S.)
Stay back. I see the blood on your shirt

JOHN
I'm not moving and it's pizza sauce.

KAREN (O.S.)
Stay away.

JOHN
Do you need me to call you a ride?
I don't think you should be driving.

Karen tries to open the door but she can't. She notices it's locked.

KAREN (O.S.)
Did you lock this?

JOHN
You locked it.

KAREN (O.S.)
No! You're trying to trap me!

Karen unlocks the door and backs out with the spoon aimed on John. Karen slams the door.

INT - HALLWAY

Karen turns the camera around to selfie mode. She's in tears and trembling.

KAREN
I'm so lucky to have made it out a live. Thanks everyone for watching. Remember to like and follow me.

Karen taps the phone multiple times, failing to stop the recording.

KAREN (CONT'D)
How does this work again?

Eventually, she manages to stop the recording.
